"I ALWAYS THOUGHT
FLY FISHING COULD BE
BENEFICIAL AS A
HEALING THERAPY AND
I HAD A DREAM OF
CREATING A FLY FISHING
RETREAT THAT COULD
HONOR GEORGE'S
HARBAUGH MILITARY
SERVICE BY SERVING OUR
DISABLED VETERANS."

THE HARBAUGH FOUNDATION PARTNERED WITH WITH PROJECT HEALING WATERS, A CHARITABLE ORGANIZATION THAT USES FLY FISHING TO CREATE HEALING FOR OUR INJURED VETERANS.

THE ORGANIZATION OPERATED IN MONTANA FOR YEARS - BUT IT HAD NO PERMANENT BASE OF OPERATIONS.

TOGETHER, THEY BUILT FREEDOM RANCH FOR HEROES ALONG THE WISE RIVER IN MONTANA. THIS SPECTACULAR FLY FISHING CAMPUS IS NESTLED ON NEARLY 100 ACRES OF PRISTINE WILDERNESS. IT SERVES AS A HOME FOR GROUPS OF VETERANS WHO COME TO FREEDOM RANCH TO BOND AND TO HEAL.

VETERANS FROM ALL BRANCHES
OF THE MILITARY COME TOGETHER
TO FORM A DEEP FAMILIAR BOND
AND LITERALLY SAVE EACH OTHER'S LIVES.

STACKS OF THANK YOU
LETTERS TELL STORIES OF LIVES
AND FAMILIES SAVED.

WITH LOVE.

This trip was amazing.
This entire town has been so
inviting & friendly, a true
heartfelt welcoming.

I have been treated so well, it's
so hard to put into words how
grateful I am to have been so
lucky to experience Montana.

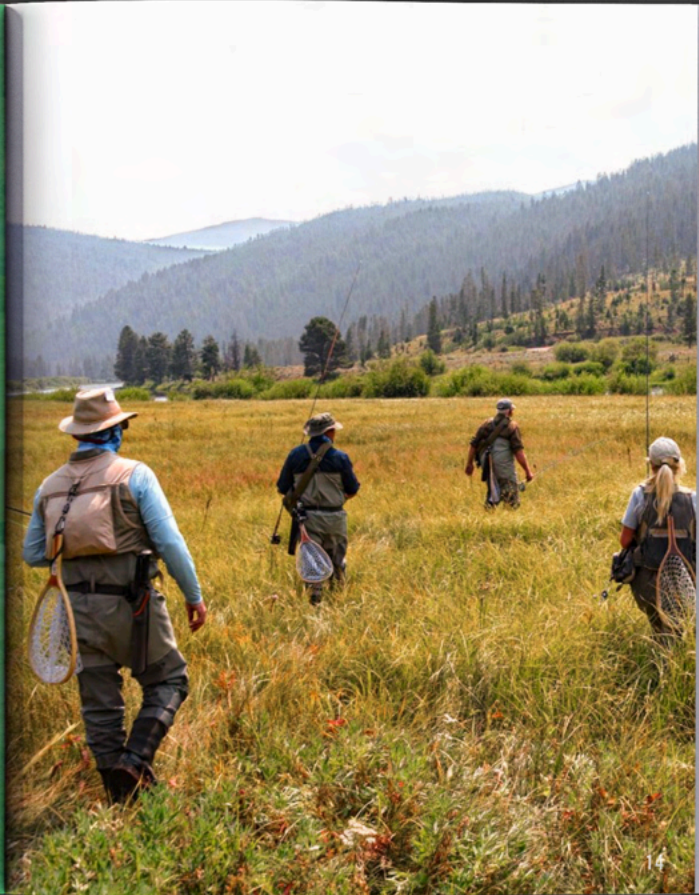

Thank you.
